Dr James Fingleton

Respiratory physician, Wellington Regional Hospital

Dr Fingleton is a respiratory physician and co-author of the NZ Asthma guidelines. He is Clinical Leader Respiratory at Wellington Regional Hospital, where he runs the severe asthma service. He is a Senior Clinical Lecturer at the University of Otago and Honorary Research Associate at Victoria University of Wellington. Dr Fingleton's research interests focus on the treatment of airways disease, particularly severe asthma and COPD, with a particular interest in personalised medicine.

Attendance at AstraZeneca educational meetings is by invitation only and is limited to registered healthcare professionals. The company seeks no commitment from external stakeholders to take any action as a result of the invitation or related support.
