

COVID-19 ASSESSMENT AND MANAGEMENT IN THE COMMUNITY

This activity is able to be managed by the existing e-Notification form in the following way:

- Assessment virtual only (eg. then referred to CTC or designated practice - no further assessment/swab required) - \$60 (*check Virtual Clinic, no swab*)
- Assessment in person, no swab required \$80 (*check Simple, no swab*). Out of hours* \$120
- Assessment in person non-HIS + swab \$120, Out of hours* \$200
- Surveillance swab \$120 (*check Full and swab done SURV code on lab form and e-Notification*). Out of hours* \$200
- Assessment HIS criteria + symptoms \$250 (*check Full Assessment, and use - HIS on lab form, write Specific HIS and criterion in notes field*). Out of hours* \$250 **OR**
- Symptoms and admission to hospital \$250 (*check Full Assessment and Referred to hospital*). Out of hours* \$250

***Out of Hours = Monday to Friday after 5pm and before 7am, all day Saturday, Sunday and Public Holidays.**

In order to receive Out of Hours payments, practices must submit an extract from their PMS showing the date/time of patient arrival along with NHI for any COVID claims.

Note: E- notifications are to be submitted no later than 4 hours after swabbing activity

e-Notification funding claims will be subject to audit.
